

VAMLIS Executive Board Slate of Officers for New Fiscal Year

Annual Term: July 1, 2022- June 30, 2023

VICE-PRESIDENT APPLICANT(S):

Russell Vrhovac, GISP
Duncan-Parnell Geospatial Division

Russell Vrhovac has a Degree in Marine Science from Coastal Carolina University and a certificate in GIS from Old Dominion University. He has been involved in the GIS field since 2001. Russell has also been involved in VAMLIS for many years and has held the VAMLIS President, Past President and President Elect roles in the past. Russell is a technical sales consultant for Duncan Parnell where he specializes in delivering GIS and GNSS solutions for customers in Virginia, Maryland and Delaware.

TREASURER APPLICANT(S):

Brian Kingery, GISP is currently serving on the FY 2022 VAMLIS Executive Board as the Treasurer and looks forward to continuing serving in this role for FY 2023. He has continually served in this role since July 2019 at the start of FY 2020 Executive Board. Brian has also served as the Vice President of the 2017 VAMLIS Executive Board that achieved the following accomplishments:

- A successful 2017 Virginia GIS Conference held at Virginia Tech
- Planning a successful 2018 Virginia GeoCon held in Virginia Beach
- Rebranding of the VAMLIS website
- Improved outreach efforts across the Commonwealth at regional events

Currently, Brian is a GIS consultant and project manager with Timmons Group working on all types of GIS projects across various industries at universities, local governments, and state governments across the United States. Using his experience from his time at the Virginia Department of Transportation, one of the largest department of transportations in the country, he hopes to build on the creativity and passion for GIS that he promoted every day bringing that same passion to VAMLIS and the GIS user community.

Brian has attended and presented at multiple regional outreach events and VAMLIS conferences over the years. He recognizes the value these events offer to the GIS community in Virginia regarding networking and learning from GIS professionals from all over the Commonwealth. Brian is excited about this continued opportunity and looking forward to furthering GIS in Virginia over the next few years and beyond.

PRESIDENT-ELECT APPLICANT(S):

Jennifer Ciminelli is an environmental scientist and educator. She is an assistant professor in the Center for Environmental Studies at Virginia Commonwealth University in Richmond, Virginia. Jennifer develops and teaches courses at the Center, and has worked to build the geospatial program. She has worked on a variety of client driven and grant funded projects throughout her career. Her work focuses on the use of spatial technology in the creation of models that inform conservation and watershed management planning.

Jennifer has been a member of VAMLIS and an active participant in the Virginia GIS Conferences for many years. She has served on the VAMLIS Nominating Committee and Conference planning committee.
